

## **Frequently Asked Questions**

### **Why is Stop & Shop offering this service?**

This service is being offered as part of our health & wellness initiative, which is geared towards helping you and your family live a healthy lifestyle.

### **What antibiotics are included in this service?**

This service includes 9 antibiotics in the following forms: oral tablets, capsules, liquids and select ophthalmic ointments. Injectables are not included. For a complete list of participating antibiotics, visit <http://www.stopandshop.com/antibiotics>

### **How did you select which antibiotics to include?**

The participating antibiotics were chosen from a list of seven specific families of drugs most often prescribed by physicians to both children and adults.

### **Does this service apply to both new prescriptions and refills?**

Yes. New prescriptions, as well as refills, are eligible for this service.

### **How long is the service in effect for?**

The service begins on January 2, 2009 and ends on March 21, 2009.

### **Can I get a refund on a previously filled prescription for antibiotics?**

No. This service applies only to new prescriptions and refills filled January 2-March 21, 2009. We cannot apply the discount to any previously filled prescriptions or refills.

### **Can I use a coupon when I fill my prescription?**

No. No other offers or discounts can be used in conjunction with the free antibiotic service. Coupons are not necessary to receive your free antibiotics.

### **Will you bill my insurance company for me?**

No. For this service we will not bill any insurance plan.
